

# SPORTS UPDATE

## Year 5-6 North East Woolworths Cricket Blast Carnival

On Friday 26 October, four teams of students travelled to Hillcrest Reserve in Bayswater to play in the Year 5/6 Woolworths North East Cricket Blast Carnival. The kids had a blast!

Well done to the two girls teams who played five games of cricket in the day, with the year 5 girls finishing third overall.

The year 6 boys did really well to finish runners up in their competition, but big congratulations went to the year 5 boys team who were crowned winning school in their division. Outstanding sportsmanship, effort and skill were shown by Dylan Matson and Xander Ugle. They were presented their winning flag by Cameron Bancroft, Perth Scorchers and Australian cricketer.

The overall win by the year 5's saw them progress to the Regional Semi Finals at Yokine Reserve two weeks later. 73 boys and girls teams converged on the oval and played another day full of cricket. Although the boys played well, they came up against some quality competition and didn't advance further to the Grand Final at the WACA. Once again Xander Ugle displayed excellent sportsmanship towards his team mates, the umpire and the opposition.

Thank you very much to Geordie Carson and Adam Matson for volunteering their time, and cars to drive the boys to and from the carnival.

## Inaugural Bassendean PS verse Guildford PS Dockers Cup

Friday afternoon saw two teams of girls travel to Guildford PS to play an AFL game against Guildford PS's all girls teams. The girls played hard, tackled harder, kicked some goals and had a lot of fun.

Year 6 Game            Guildford PS defeated Bassendean PS  
Best on Ground for Bassendean PS – Sophie Wright-Mackay  
R/Up Best on Ground for Bassendean PS – Shanelle Dubiniak

Year 4/5 Game        Guildford PS defeated Bassendean PS  
Best on Ground for Bassendean PS – Niamh Kasdorf  
R/Up Best on Ground for Bassendean PS – Elizabeth Hunt

Thank you so much to Stuart Maughan, Andrew Rodgers, Julieanne Iannolo and Katherine Dubiniak for volunteering their time and cars to drive the girls to and from Guildford PS after a last minute venue change. And thanks Snowy and Andy for your awesome goal umpiring.

The year 4 and 5 girls will have the opportunity to play in the next Dockers Cup Carnival to be held in Term 1 of 2019. I am looking forward to seeing them play again. Unfortunately today was the last time the year 6 girls will pull on the Bassendean PS AFL guernsey, but I encourage them to continue to try new things in high school and wish them all the best.

## **Phys Ed Volunteers**

I would like to take this opportunity to personally thank all the parents, siblings, grandparents, aunts, uncles, friends etc who have helped myself and the kids throughout 2018 at our various sporting events.

Whether it was scoring and timing games and carnivals, handing out ribbons, setting up and packing away, providing oranges and other fruit and lollies, handing out icy poles, marshalling events, driving kids to and from carnivals, washing jumpers and bibs, all the other bits and generally just being there to cheer on the kids, your help is massively appreciated. I know I can count on you to put your hand up and get the job done.

To those volunteers who are leaving the school this year, your assistance has been invaluable and I thank you immensely. But I also know others will step up and continue to help to make the Bassendean PS sporting program a successful one.

Finally, enjoy the holidays and time with your families. We will see you all next year.
