### **Freo Dockers Cup Grand Finalists CONGRATULATIONS**

An amazing display of football skills and team work saw the Year 5/6 girls Dockers Cup team make it to the Grand Final of the Metro Central Dockers Cup AFL Carnival yesterday. Congratulations to Mr Cokis and his team for all the hard work they had put in to training and preparing for the carnival, and for their efforts on the day.

It was super hot down at Jubilee Reserve however the girls played on without complaint. Lots of cold drinks, juice boxes (thanks Carmen), icy poles (thanks to the WAFC) and sprays from the spray bottles had them cooled in between games and ready to go.

The girls won three of their four round robin matches convincingly and played Ellenbrook PS in the Grand Final. It was a hard fought match with stand out performances from Eden L, Eloise and Beatrix. Our team eventually going down by just over a goal to finish Runners Up for the day.

### **National Ride2School Day 2025**

It was great to see a whopping 79% of the school population travel to school actively last Friday for National Ride2School Day. I encourage everyone to continue to include active travel into their everyday commute to and from school. Below are a couple of pics from the morning.
