PARENTS & COMMUNITY
Bassendean Primary School P&C Assoc.

A big welcome to Kindy 2027 Parents from the Bassendean Primary School Parents and Community Association!

If you're new to the school and new to school in general – WELCOME! We understand that there is a lot to try and wrap your head around.

The best way to stay in touch is to follow our Facebook page – search for "Bassendean Primary P&C" and it should come up.

If you already have children at Bassendean, you'll be aware of the great work our P&C does in supporting the school community and raising funds for resources, events and initiatives for our kids. Whether you are new to the school or not, here are a few things you may not know about what our P&C does, why parent support is so critical and how you can get involved.

What does a P&C do?
The main goals of any P&C are

- foster strong relationships between the school and the community
- promote parent interest and involvement in the school
- provide extra resources for the benefit of government school students

At Bassendean, our P&C is dedicated and active. With the help of our strong school community, we run the uniform shop, canteen and many fun projects to benefit the students. We're stronger with you!

We'd also like to invite you to our P&C Annual General Meeting. This is a great opportunity to put faces to names and start building your network at the school. You'll hear about what's planned and provide input on what kinds of initiatives the P&C funds.

- Our AGM is held near the beginning of term 1 each year, we'll publish the event on our Facebook page.
- You don't need to be a member to attend!

If you have any questions at all about our P&C our executive committee is always happy to answer them. You'll find contact details on the school's website.

Have a safe and happy festive season and we look forward to welcoming your kids and seeing some new P&C faces in 2027!
